Friday 9th February 2018

Dear Parents and Carers

As you will all be aware we had a visit by Ofsted HMI Malcolm Kirtley on Wednesday 17th January 2018 as part of a 'short inspection'. We are delighted to inform you that we have received the Ofsted letter confirming that we are a **good** school. We have attached a copy of the letter for you to read and would like to thank you all for your support and commitment to Redesdale Primary School.

I would also like to take this opportunity to thank all the staff, parents, carers, volunteers and governors for all their hard work and support but most of all to tell you how proud I was of your children, as they were absolutely amazing!

We continue to ensure that all children feel valued as individuals and are active participants in the learning community of Redesdale Primary School to enrich their life skills and experiences. Every child is encouraged to reach their full potential and we recognise that every child is special and has their own contribution to make. We are so pleased that Ofsted has recognised that our children 'make good progress and achieve good and improving standards' and that 'pupils value these opportunities to widen their experiences and develop their self-confidence'.

Thank you for your responses on Parent View and for your continued support for Redesdale Primary School. We highly value your contribution and involvement in our school community. Our Ofsted Report is a reflection of the successful partnership of all members of the Redesdale community and we are so delighted that everyone can be a part of it.

Thank you again.

Yours sincerely

Mrs T V Flannaghan
