

Key Stage One News

Welcome Back!

We hope you all had a lovely break and are ready for lots of Summer fun this term!

Year 1

The topic for Year One this term is 'The Seaside'. The children will look at the features of the coast and landmarks.

Year 2

The topic for Year Two is 'Famous People'.

The children will research a variety of famous people in history and look at a range of artists.

This half term we have the Year 2 SATs.

Please help support your child with this by working on their targets, going on Mathematics, reading often and completing homework.

Warmer Weather!

Hopefully the weather should warm up so when possible we will have PE outside. Please make sure your child has an outdoor kit as well as their indoor kit in school at all times.

We also advise that all children come to school with a named water bottle every day. They may bring sun cream in to apply themselves and a sun hat.

April 2018

Key Dates:

- Year 2 Athletics Festival at Burnside—25th April.
- Year 2 SATs -18th— 24th May
- Year 2 park trip— 24th May

- Year 1 & 2 Phonics Screening 11th - 15th June.
- Year 2 SATs treat trip—5th July

Reading

The ability to read impacts on your child's learning across the curriculum. Please continue to read as often as possible with your child at home. As well as school stage books this could include books you have at home, comics, poems or anything which interests the children.

Dojo points are rewarded for every day they read, so please record their reading in their reading diary.

Thank You Key Stage One Team
