

Nursery News

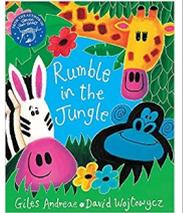

April 2018

Welcome back. We hope that you had a good Easter break.

Our New Topic

Our topic for this half term is 'Animal Rhyme.' Each week we will look at a different animal rhyming book such as 'Commotion In The Ocean,' 'Rumble In The Jungle,' and 'Giraffes Can't Dance.' This will encourage the children to identify rhyming words as well as looking at animals and their habitats.

Potential School Trip

We would like to take the children on a school trip this term and for us to be able to do this we would need a large number of parent volunteers. Please could you let one of the Nursery team know if you would potentially be able to do this. It would be for one morning or one afternoon (depending on which session your child attends). Please let us know as soon as you can so we can see whether a trip would be possible. Many thanks for your support.

Stay And Play Session

We would like to invite you to come into Nursery for a stay and play session. This will be held on Friday 11th May and will give you the opportunity to come into the Nursery and take part in a variety of activities with your child. The morning session will be at 9.15am-10.15am and the afternoon session will be 12.30pm-1.30pm. We will send a letter nearer the time so we can confirm numbers.

Class Dojo

Thank you for all the photographs that you have sent in so far. Please continue to share with us any achievements, work or activities that your child does out of school. We are able to add these to your child's Learning Journey. Thank you for your input.

Sun Cream

The sun is finally here! Please could you ensure that your child has sun cream on **before** they arrive for their session. We would also ask that they could bring a sun hat/cap with their name clearly labelled.

Water bottles

We encourage all children to bring a water bottle to Nursery, especially with the warmer weather. Could you please ensure that it only contains water - juice is not allowed.

Many thanks.

Thank You

The Nursery Team
