Optional Parents Evening

The children will be bringing home their school reports tonight with detailed information about their progress throughout the year. If you wish to discuss anything further we do have an Optional Parents Evening on **Monday 9th July, 3.30pm to 5pm or Tuesday 10th July 3.30pm to 5pm** If you are happy with your child's report and do not need to meet with the class teacher you do not need to attend. Thank you for your support with your child's education.

High Borrans

Our Year 6 children will be on their way to High Borrans next week, Friday 13th July, to enjoy a weekend of outdoor fun. They will have the opportunity to experience canoeing, caving, gill scrambling, walking and abseiling in the wonderful Lake District. We hope they have good weather but know they will have an amazing time whatever the weather!

Sport's Day

Thank you to everyone who attended our Reception/Key Stage 1 and Key Stage 2 Sport's Day today. The weather was fantastic and we hope everyone had a great time. Well done to the children for being so supportive of each other as well as wanting to do their best. It was also great to have Burnside Sports Leaders at our Key Stage 2 Sports Event and we would like to thank them for their support. What a brilliant atmosphere! Your continued help and support is greatly appreciated. (Nursery Sport's Day Monday 9th July)

Governors

Our Safeguarding and Health Sub-Committee met this week to discuss policies and procedures. Governors are also reviewing our energy consumption in school and over the next year will be focusing on how to reduce our carbon footprint thus reducing our energy bills. The children will be an important part of this process and we welcome their ideas and involvement.
