### It's Great to be Back!

It's lovely to see everybody again after the summer holidays. We are all very impressed with the way the children have come to school ready to learn; they are extremely smart in their uniforms and are ready for a busy Autumn term!

Please remember our school uniform is **grey** trousers, skirts, pinafores and shorts not black and the P.E. kit is the **blue** school top and **navy** shorts.

To help your child to become more organised, responsible and independent please encourage them to bring everything they need ready for the school day, i.e. coats, P.E.kits, water bottles, reading folders, etc. it will get easier as the year goes on!

Please remember if you have any queries or problems you can speak to your child's teacher after school or you can make an appointment to speak to them at a more convenient time. You can also contact Class Teachers on Class Dojo and they will reply as soon as they can. You can contact the School Office for further information or keep an eye on Class Dojo, our website and Twitter to find out what's happening in school.

If you would like to help in school please come in and speak to Mrs Armstrong, Assistant Headteacher or Mrs Ogley in the school office.

### School Events - Macmillan Coffee Morning

On **Wednesday 26th September** we will be raising money to help support the wonderful work of the Macmillan nurses. Children can dress in non-uniform for a donation of £1 and there will be a cake trolley visiting all classes with cakes on sale for 50p. There will also be a coffee morning for parents/carers in the school hall from 9.15am to 11am. Any donations of cakes for the day would be greatly appreciated.

### After School Clubs

After school clubs will be starting next week with a range of activities such as street dance, gardening, Lego club, rock-it-ball and dodgeball. We do have a few places in some of the clubs so please ask at the school office for further information. We are sorry if your child didn't get a place this time but we will be looking closely at who has missed out on a place.

### Illness and Infections

Many children come back to school after the summer holidays and catch colds, flu, tummy bugs, chicken pox and other illnesses. We would like to remind parents to notify us as soon as possible if their child is ill so that we can minimise the spread of illness to others. As a school we follow the Public Health Agency 'Guidelines on Infection Control in Schools and other childcare settings' to help prevent the spread of infections. (Please click on the link for more information) Public Health Agency link - [http://www.publichealth.hscni.net/sites/default/files/Guidance on infection control in%20schools poster.pdf](http://www.publichealth.hscni.net/sites/default/files/Guidance%20on%20infection%20control%20in%20schools%20poster.pdf)

### Governors

Our first Full Governing Body meeting of the new academic year will take place on Wednesday 3rd October 2018 and we look forward to a busy and interesting year ahead.
