## Year 6 and Year 2 SATs

On **Monday 14th May** our Year 6 children will start their end of Key Stage 2 tests — SAT's. The tests are extremely important to show the progress that your child has made at school but also all the hard work they have accomplished in English and Maths. Our Year 2 children will also be starting their 'special jobs' in May and we will continue to ensure they are as low key as possible. We want the children to do their best but not to worry about them. We are requesting that the children are in school **every day and on time**. Thank you for your continued support.

## Visits & Trips

As the weather is improving and we are starting to see the sunshine, there are a number of trips planned for the children across school. Please could you ensure your child has sun cream on before they come to school, brings a cap or hat and wears shoes/sandals with socks. Trip letters will give you further information on what the children should wear for the trip and whether they need a packed lunch or not. If you have any questions please do not hesitate to ask the Class Teacher.

Thank you again for your continued support.

## Safety on the Yard—Trim Trail, Tyre Park & Play Ship

Can we please remind everyone that children playing unsupervised on the trim trail, tyre park or play ship before and after school do so at their own risk. We would not want any child to hurt themselves so please supervise your children when they are playing on the equipment or in the yard. Thank you.

## Water Bottles

Please remember to send your child in to school with a water bottle as they are getting thirsty in the warm weather after running around at playtimes and in PE. Please remember that this must only contain **plain water** and not juice or flavoured water.

## Summer Term Newsletters

The Summer Term Newsletters will follow the Redesdale News to give you further information about what is happening in your child's class. Thank you.
