As always, if you have any questions or concerns, or have anything you feel you could contribute to our topics, please get in touch.

The Year 3-4 Team hope you have all had a brilliant Christmas and New Year and that all of the children are ready to work hard this half term on their new topics. Year 3 will be studying The Stone Age in our topic "Meet the Flintstones". We will be exploring some aspects of Stone Age life. In Science we will be investigating rocks and stones. Year 4 will be learning all about Rivers during their topic "Raging Rivers" and in Science they will be investigating 'States of Matter' (solids, liquids and gases).

Rivers

As we return to school, the weather is still very cold. Please could you ensure your child has a warm coat in school with them every day. In addition to this we would encourage all children to have a water bottle with them every day in order to keep them hydrated.
