- Provide high quality opportunities
- Assist each individual to **be the best they can be**

- **Promote competition** and excellence within sport and help foster links with and encourage attendance of 'higher sporting institutions'

What is Primary PE and Sport Premium?

The Primary PE and Sport Premium is funding designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

Department for Education's Vision for the Primary PE and Sport Premium: *"ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport."*

The funding has been provided to ensure impact against the following objective: ***To achieve self-sustaining improvement in the quality of PE and sport in primary schools.***

The focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding. It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.
